

Crew Chiefs, please use the following guide effective immediately when grading schools using the Sportsmanship Cards. If you have any questions, please get with me. I will be mailing cards for additional games that were recently assigned by the Board in the next couple of days. This year there will also be a 3A/Parochial school winner so please turn in all of your cards.

Ratings – Please do not give any school a zero. Consider 1 as the lowest score. 5 is average, 7 or 8 is excellent, 10 is outstanding (very few should receive this)

Categories:

Conduct at National Anthem – if team is not present for anthem give them a 5. (Some schools schedule affects this)

Coaching staff – any unsportsmanlike penalty on staff give school a score of 4 or below. Sideline warning fouls – subtract 2 points for each foul.

Players – please judge on overall conduct (individuals should be scored below)

Others –non coaching staff (doctors, trainers, band, etc.)

No. of Personal fouls – 1 foul dictates an 8, 2 fouls dictates a 6, etc.

No. of Unsportsmanlike Fouls – one dictates a 5, two fouls dictate a 1, ejection dictates a 1.

All crews which turn in 100% of their Sportsmanship Cards will have their name entered in a drawing for a prize to be awarded at the Sportsmanship Luncheon Wednesday, January 20th, 2010. Thank you in advance for your support!

Mark
